

Millennium Custom Homes Wins Award of Excellence from Local Builders Association

[Metropolitan Builders & Contractors Association's Awards of Excellence](#) program recognizes best work in home building, renovations in Northern New Jersey and beyond

(LIVINGSTON), N.J. – Millennium Custom Homes was among an elite group of builders, remodelers and supporting professionals honored with an Award of Excellence recently by the [Metropolitan Builders and Contractors Association of New Jersey](#). The coveted awards recognize some of the best building and remodeling projects in the area.

Millennium Custom Homes was recognized for Best Single Family Home Over \$2,000,000 recently at a ceremony at the Dolce Hotel in Basking Ridge. More than 250 people attended the presentation ceremony. Millennium Custom Homes also won awards for Best Attached Home or Townhouse Over \$500,000 and Best Residential Addition or Alteration, \$50,000–\$150,000.

“We’re very excited to be recognized in the Awards of Excellence program,” said Phil Calinda, owner of Millennium Custom Homes. “The winners of these awards are chosen by professionals in the building trades from outside the area, so this is recognition by colleagues who understand the industry.”

At Millennium Custom Homes, our first and most important value is customer satisfaction. We understand that making decisions about a custom home or remodeling project can be difficult. That’s why we always take the time to guide our clients through the process. In our over 35 years of experience, we have helped thousands of clients achieve the home of their dreams.
